Dear All,

This is with reference to above we would like to inform that GoAP in collaboration with PATH and ICMR is to start demonstration project through Vaccination of all 10-14 year old girls against cancer of cervix.

It is proposed to immunize girls, both in schools for school going and in Anganwadi's for non school going girls by the Health department. For smooth implementation of Cancer Cervix vaccination program in Bhadrachalam agency area, all concerned staff at Private & Govt., Schools, ICDS staff and Voluntary Organisations are requested to extend their co-operation as follows.

Providing data on:

The 10-14 years girls studying in the schools along with their date of births.

The name and number of teachers who are associated with the 10-14 years age girls and participate in the training programme as and when requested by the Dy. D.M.&H.O, Bhadrachalam & P A T H:

All the Hostel Welfare Officers and Head Masters of T.W. Ashram Schools and Hostels under ITDA and Head Masters of Primary, UP and High Schools are instructed to co-operate in registration of eligible girls for vaccination and to sign the consent forms on behalf of the adolescent girls to have the vaccine especially for hostellers at Ashram Schools run by Path Society, District Bhadrachalam.

Teachers will help guide in consent process for the day scholars by inviting the parents to attend the parent teacher meeting if needed. Teachers will extend support to Health Officials to monitor the vaccination campaign in Schools.

All the private Schools Co-ordinators are instructed to support this Govt. initiative and participate in the HPV Project and training programme and provide with necessary support to the Officials.

In case of any further clarification you can seek support from Medical Officers at respective PHC area.
